

FarmSmart

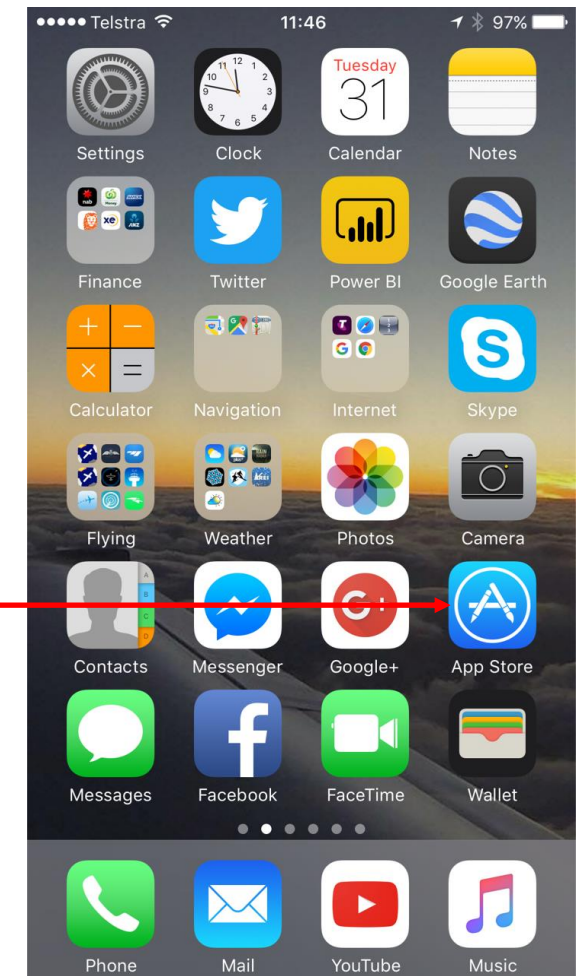

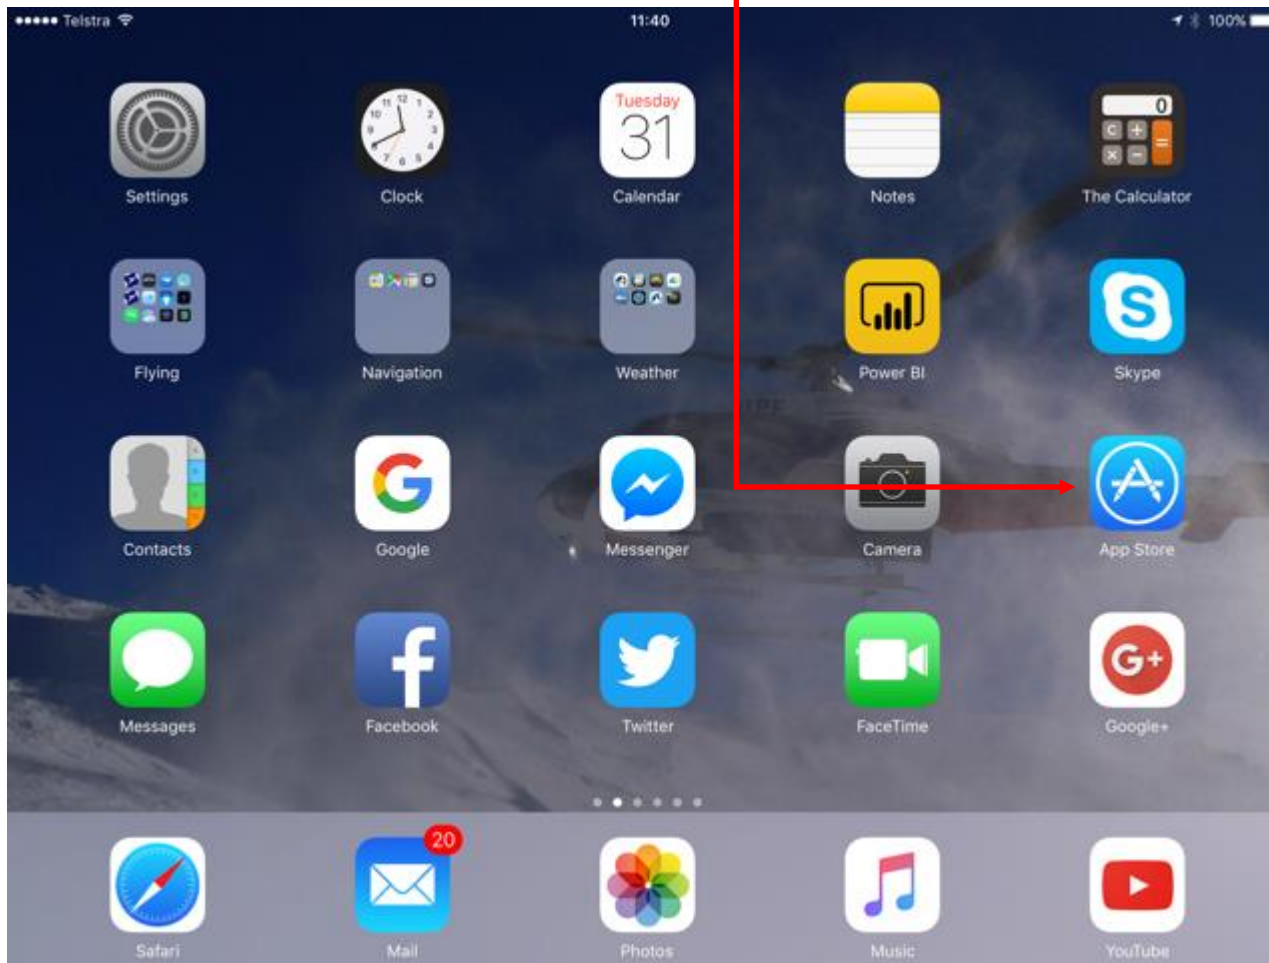

How to setup FarmSmart on an Apple iPad or iPhone

June 2018

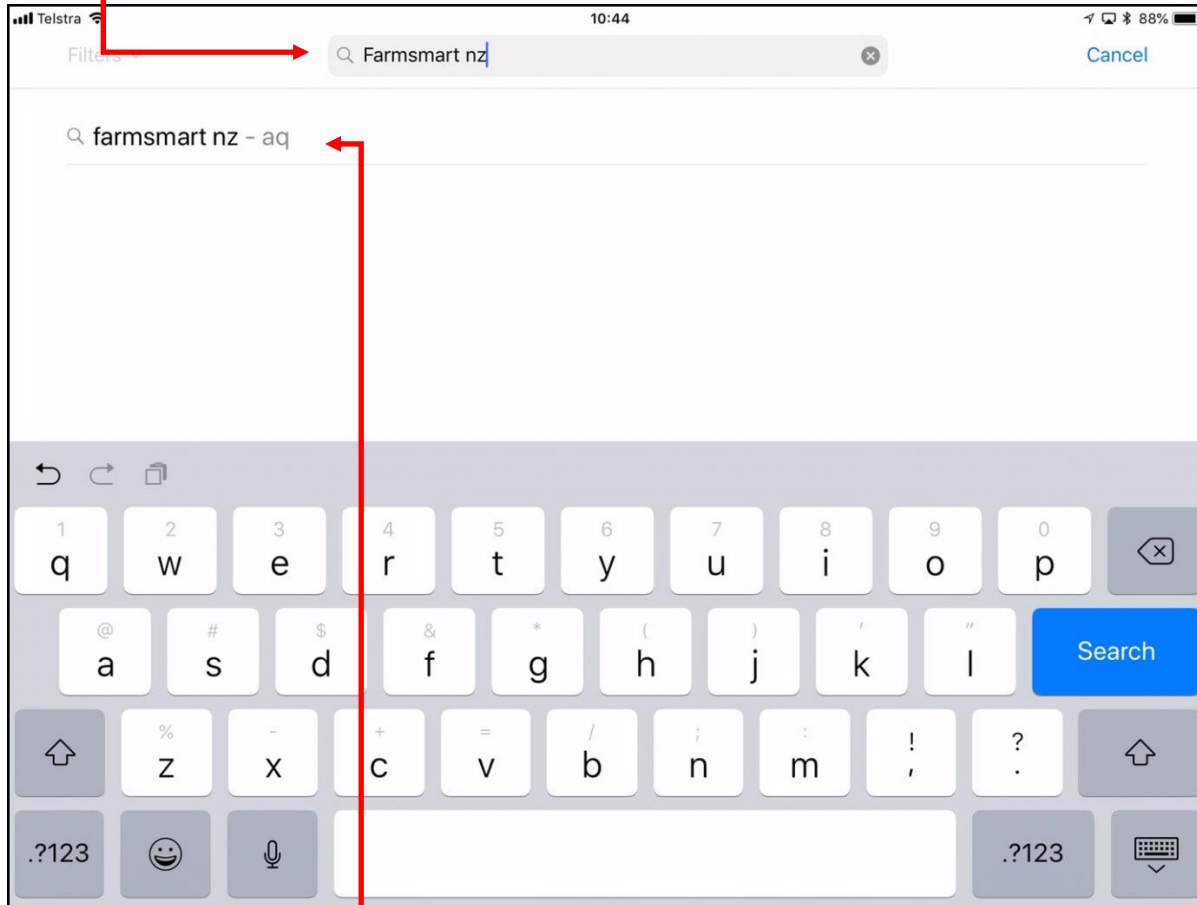

App Store

1 Tap on the App Store icon from the homepage of your iPad

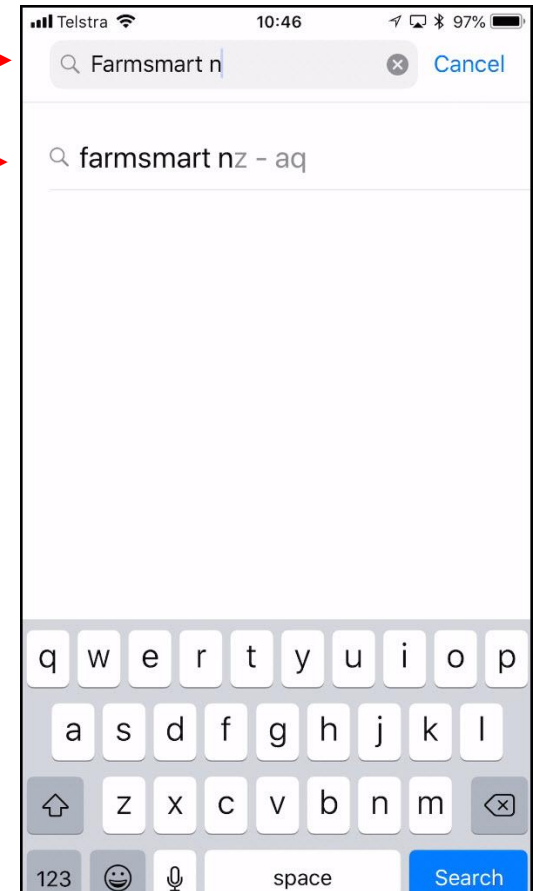

App Store Search

2 Search for FarmSmart

3 Tap on FarmSmart in the Results dropdown menu

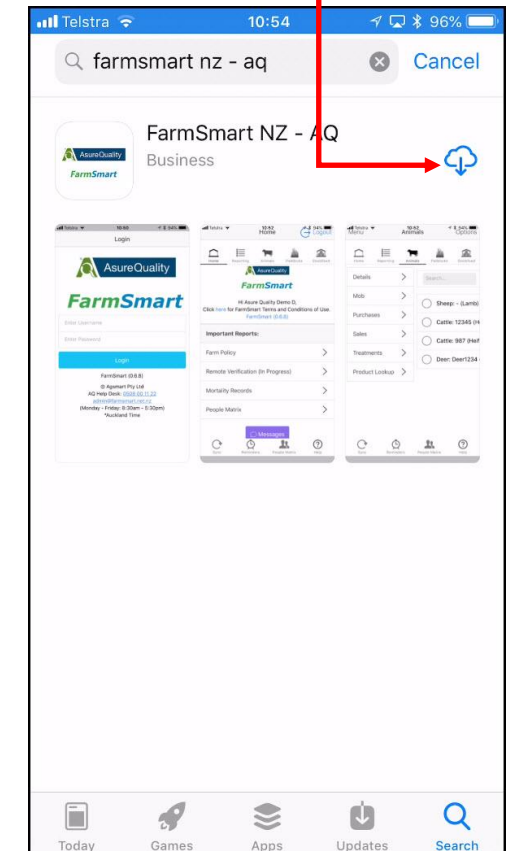

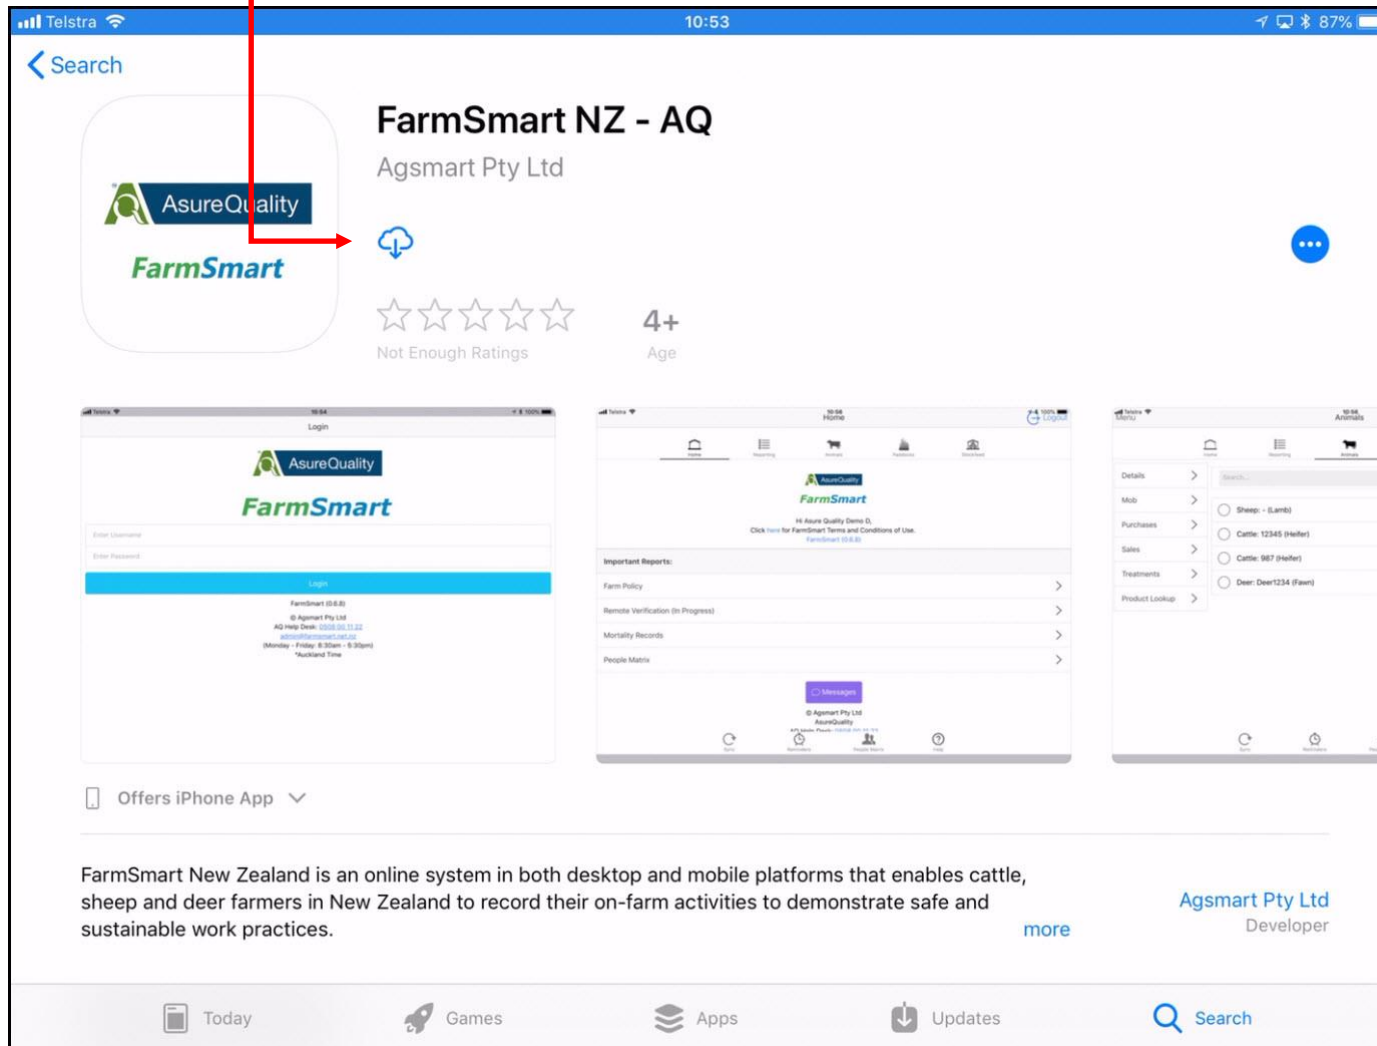

Download

4

Tap the Cloud or icon to download

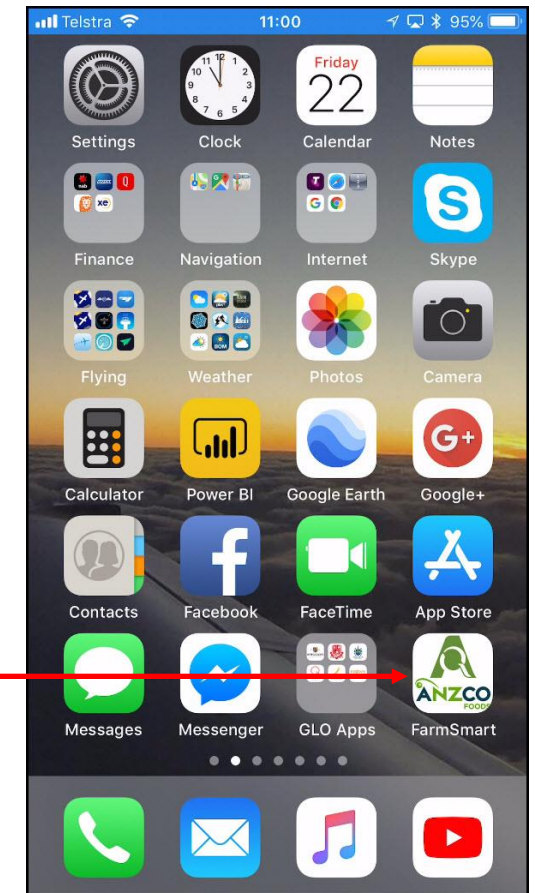

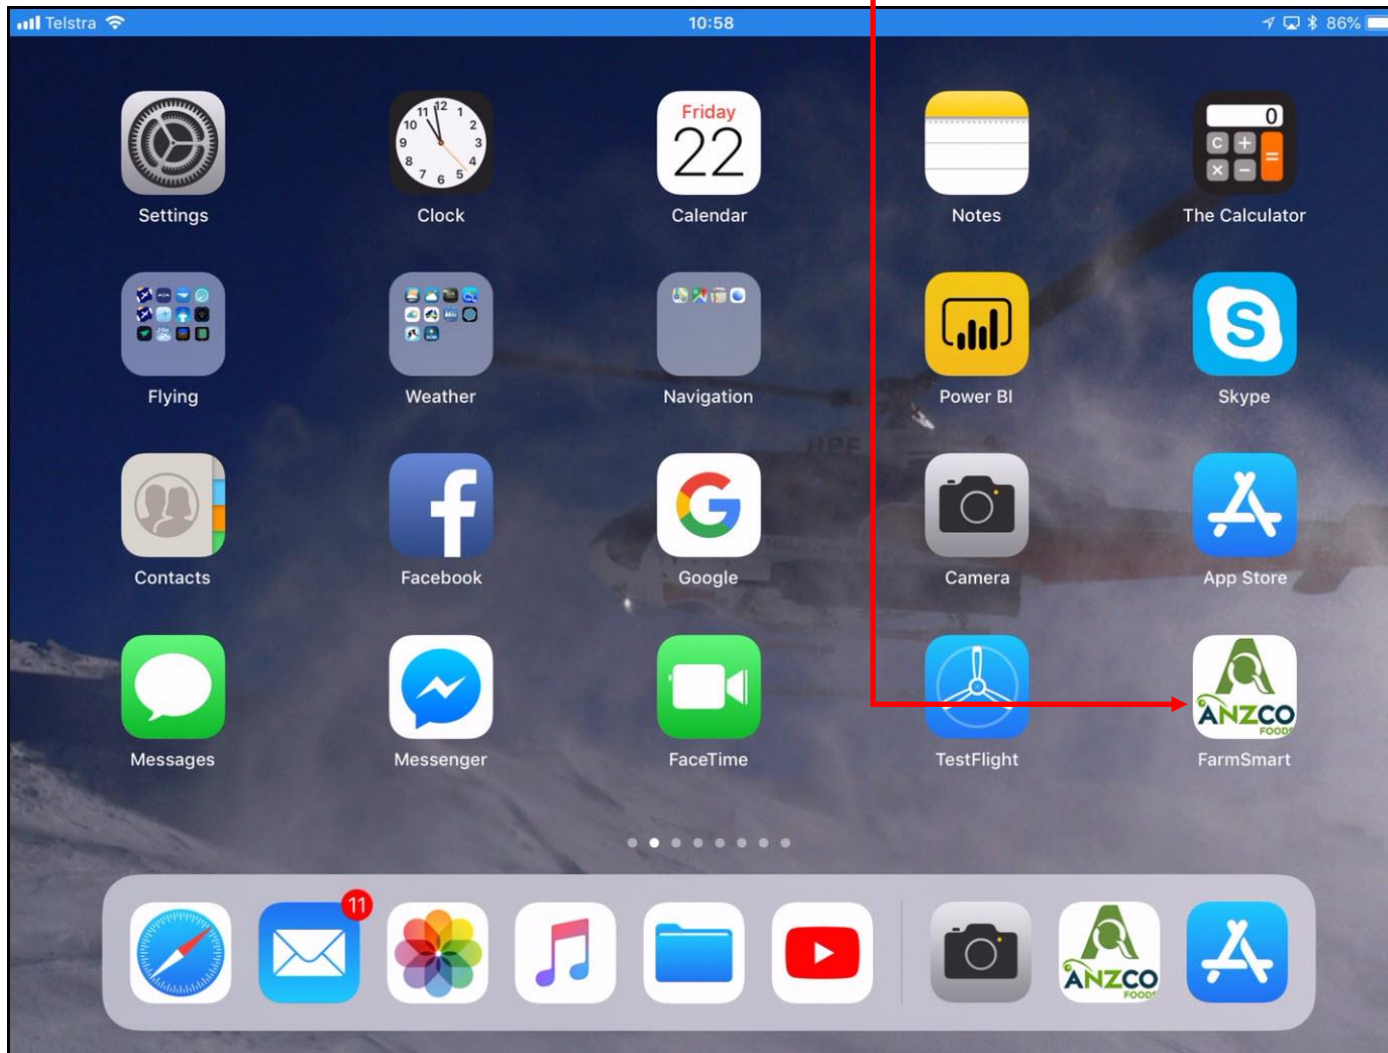

The FarmSmart App will download and install on the homepage of your iPad

Opening FarmSmart

5

Tap on FarmSmart icon to open the App

First Time Access

6

The first time you open FarmSmart you need to confirm that FarmSmart can send you notifications

You can then login. You won't need to login again unless you "kill" the app.

Login

Login

"FarmSmart" Would Like to Send You Notifications

Notifications may include alerts, sounds and icon badges. These can be configured in Settings.

Don't Allow
